

# BASKET COMPETITION

## \$250 Prize to Winner!

This year we are sponsoring a new competition for our holiday fundraiser at Maggiano's! We are hoping that every facility represented in the ARN GPC membership will participate.

Each facility is being asked to submit a basket for the Silent Auction that will take place at Maggiano's on December 1. The basket that brings in the highest bid at the auction will be the winner. The winner will be given a check for \$250.00 and the announcement will be displayed on the GPC website and the next newsletter with a picture of the donator and their winning basket.

- Each basket must be worth a minimum of \$75.00.
- No perishable items.
- Basket must be displayed at fundraiser.
